iPosters are a new range of interactive posters for your whiteboard, designed for whole class teaching and learning. Explore different aspects of the poster through a series of on-screen hot spots to create an active and engaging resource, perfect for a thematic approach to the curriculum.

Each hot spot leads through to carefully selected resources, including **BBC video clips**, interactive activities and audio and visual stimuli, all of which build skills and understanding. Each *iPoster* covers a different topic and is designed to engage pupils and help you cover important curriculum objectives in a creative and stimulating way.

- A creative and dynamic approach to learning, which is simple and easy-to-use
- Child-friendly, curriculum-focused topics, including literacy skills, to engage your whole class
- The Teacher's book and on-screen notes provide advice and support for making the most of the resource
- Accompanied by a printable poster of the main screen for classroom display

iPoster: Evacuees

Experience life as an evacuee during WWII with the BBC.

- Watch and learn about the reasons for evacuation during the Second World War.
- Get an in-depth look at life of an evacuee, looking at where they went, what they took with them, daily life, and whether evacuation still happens in modern times
- Get a true insight into life during the war with archive footage and audio and visual sources from the era.
